Whether you are a former student, employee or researcher you have actively shaped our College. You are connected to your Alma Mater through your personal experiences and professional contacts and serve as an informal ambassador of the institution. I strongly believe that it is essential to stay in touch with you and foster our connection. To this end the Alumni Association currently serves more than three thousand Alumni worldwide. I am sure you will benefit both professionally and personally through this network. Hence, a proforma is attached at the end of this Newsletter, so that you may help us to create a database of our illustrious Alumni. This initiative will allow you to stay informed about the College, to keep in touch with fellow Alumni, to expand your academic and professional network and to volunteer to engage with the next generation teachers and researchers.

The Alumnae Newsletter gives you a kaleidoscopic view of the alumni activities held in the College for the academic year 2020-2021 and 2021-2022.
